Material	Aluminium
Type of Gas Cartridge Or Cylinder	Disposable Cartridge
Filled	Yes
Gas Cartridge Or Cylinder Valve Type	7/16"
Gas Cartridge Cylinder Safety Valve Type	In Valve
Gas Mixture	Propane, Butane
Gas Content Weight	210 g
Gas Content Volume	380 ml

Description du fabricant

The Sievert Ultragas 210g is a gas cartridge designed with utmost safety in mind. With a body made out of light weight aluminium this gas cartridge provides flexibility and mobility to the handyman in need. Featuring a EU 7/16" connection, gas capacity of 210g, and a built-in anti-flare foam that prevents liquified gas from escaping the cartridge, allowing for 360 degrees use. The Ultragas is the optimal solution for any handyman or professional that require the additional safety. Sievert Ultragas is manufactured according to EN 417.
